Sufficient drinking is very important for the optimal ability to concentrate and perform.

with paper straw

simple calculation  
 60% fruit juice  
 +40% still water  
 -----  
 =100% thirst quencher

Less sugar content is better for you!

We stand up for **less sugar** in beverages and **do not use sweeteners**.

Our products correspond to the maximum sugar content of 6.7 g per 100 ml because we follow the **SIPCAN** criteria ([www.sipcan.at](http://www.sipcan.at)).

The institute for preventive medicine **SIPCAN** is an initiative for healthy life. The sugar reduced drinks from Höllinger should support pupil's and students' healthy nutrition throughout the day.
